

CADET COOKBOOK RECIPE

Cheesy Tuna with Noodles

Submitted by Darla

INGREDIENTS

1 box mac and cheese (I used Kraft in college)
1 can of drained tuna
Your Favorite Hot Sauce
Ketchup (if you want it)

DIRECTIONS

Make the Mac and Cheese according to the directions, add drained tuna, a couple of dashes of your favorite hot sauce and stir.

You can also serve it with ketchup (my husband loved it that way)

My husband and I ate this all the time. It is delish!
